

Statement of Fundamental Principles

To maintain and enhance the credibility of our progressive industry, the members of the Texas Cattle Feeders Association believe and affirm:

- Our guiding business policies are honesty and fair dealings.
- Our operating practices are built on high standards of animal husbandry, environmental management and safety procedures.
- Our commitment to the consumers of the world is to produce safe and nutritious beef and beef products.
- We are willing to adopt new ideas and methods as they are proven beneficial.
- We support and defend the free enterprise system, the Preservation of legitimate rights, and freedom for all.
